To be completed by parent or guardian

Name of Parent	
Name of Child	

Occasionally, we may take photographs of the children within our Club. We may use these images in our Club newsletter or in other printed publications that we produce, as well as on our website. We may also make videos for training purposes or to help promote the Club's activities within the Community.

Occasionally our Club may be visited by the media who will take photographs or film footage at Club races or events. Junior club members will often appear in these images, which may appear in local newspapers, or on televised news programmes.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown.

Please return the completed form to the Club with your Membership Application Form.

USING IMAGES OF CHILDREN CONSENT FORM

For use by SHROPSHIRE PADDLESPORT CLUB

Conditions of Use:

- This form is valid for five years from the date you sign it, or for the period of time your child attends this Club as a junior member. The consent will automatically expire after this time.
- We will not use the personal details or full names (which means first name and surname) of any child or adult in a photographic image, on video, on our website, in our club newsletter or in any other printed publication.
- We will not include personal e-mail or postal addresses or telephone or fax numbers on video, on our website, in our club newsletter or in other printed publications.
- If we use photographs of individual junior members, we will not use the name of that child in the accompanying text or photo caption. The local media do like to use full names with pictures, however, in cases where individual children have achieved a particular distinction, eg., winning races.
- We may use group photographs or footage with very general labels, such as “lightning team”.
- We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.
