Qual's Saturday - Finals Sunday

Division 1 Sunday

No entries accepted after 10th Sept.

Parallel Slalom 'Showdown'

On Saturday evening 18:00-19:00 Stafford and Stone CC will be organising a Parallel slalom 'Showdown', as an entertainment spectacle. There will be a **one run qualification** process **open to all Premier paddlers** from 16:30-17:45, first come first served, from K1M, K1W, C1M, C1W, C2. The fastest 4 in each category will go into the head-to-head Parallel Semi-finals starting at 18:00-19:00 on Saturday Evening.

Thus for the remaining Premier Paddlers and Div1's this will be an excellent event to watch. The parallel slalom 'showdown' will be run on the top section of the course, leaving the Div1 course available for practice at this time too.

We'll be starting the Finals promptly at 18:00, so don't be late!!

Division 1 Sunday

Entrants for Prem/1 Categories are only allowed to enter either the Prem, or the Div1 (not both)
(You may not enter the Div1, if knocked out of the Premier event at qualification stage.)

This does **not** include Saturday 'paddling-up' entrants. But **no** 'paddling-up' competitors will progress from the Saturday qualification round, regardless of their result, (as the Semi-final result is unnecessary in their process) Hence they are free to enter the Sunday Div1 as usual.

Come and Try it!

Canoe England, HPP and HPPCC will be running 'Go Canoeing and Slalom Taster Sessions' on the Winfield Pool, during the afternoons.

On Saturday, a land based 'Beat the Olympians Challenge' on the ergo's from 12:00-16:00 and water based 'Go Canoeing Starter Session' for beginners, 15:00-16:00.

On Sunday, HPP Canoe Club will run water based 'Slalom Taster Sessions' from 13:00. Please arrive early and bring a change of clothes or swim wear if you plan to take part in water based sessions. Please feel free to bring family and friends to have a go and try out our fantastic sport. All information and any reservations will be made on the day, at the Winfield Pool Gazebo, **not** in Slalom Control.
