I understand that boat storage is only available to club members; and, that boat storage costs £20 per membership year or part year. Any boats stored in the club boat house are done so at the owner's risk. Club insurance does not cover personal boats.

If I choose not to renew my membership, I agree to remove my boat within two months of my membership expiring. If I have not removed my boat within this time limit, I agree that my boat will be adopted by Shropshire Paddlesport.

Signed Date

If you require a key to enter the boat shed, please contact the Club Secretary.
