Important Information / Disclaimer

Boat storage spaces are limited and applying for space does not guarantee that space is available.

Boat storage is only available to club members and costs £30 per craft per membership year or part year.

Boats in the club boat house are stored at the owner's risk. Club insurance does not cover personal boats.

Space for boats is allocated by the Committee and is NOT transferable. If you vacate your space, it will be reallocated by the Committee.

In signing this form, I agree to the following:

If I choose not to renew my membership, I will remove my boat within two months of my membership expiring. If I have not removed my boat within this time limit, I agree that my boat will become the property of Shropshire Paddlesport.

Signed Date

Return this Application/Registration Form to the Club Secretary. If you require a key to enter the boat shed, please contact the Club Secretary.
